**BAND:** SONIC ORANGE  
**ALBUM:** SELF TITLED – SONIC ORANGE  
**LABEL:** PHASE 45 RECORDS  
**LOCATION:** SAN JOSE, CA

## BIOGRAPHY

Sonic Orange set to assume the superstar mantle is on a fast track to capturing the hearts and ears of the world. In less than one year's time they have drummed up a large and steady buzz, both in the US and abroad, with interests stemming from movie soundtracks, indie labels, and A&R Agencies.

Calling San Jose, California home, Sonic Orange is comprised of a unique format featuring Ollie Moore Jr. as both lead vocalist and front-line drummer. Steve Chang as the lead guitarist and back up vocalist. Adam Gonzalez with his well rounded musical skills has ability to play a bevy of instruments ranging from guitar, piano, and violin. Finally, Matt Solomon pulling it all together with pop driven bass grooves.

Sonic Orange's toe-tapping, head-bobbing live shows have earned them a steadily growing fan base. These shows have been coupled with a relentless, creatively effective promotional plan that has and will continue to deliver the Sonic Orange experience deep into the souls of all who witness them. They have played shows all over the Bay Area in clubs such as Café du Nord in San Francisco, The Blank Club in San Jose, non-local venues like the legendary Coconut Teaser in Hollywood, CA, and even Amusement Parks like Six Flags Marine World in Vallejo.
